

REMARKS:

The above-referenced application is amended to incorporate by reference the corresponding PCT application through which this application claims priority.

The specification has been amended to insert headings and ensure conformance with preferred US practice.

The original claims have been revised as new claims 9-24 to remove multiple dependencies and ensure compliance with preferred US practice. Claims 25 and 26 that define active storing steps are added.

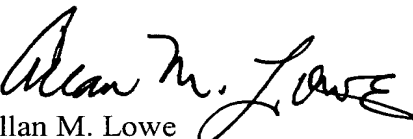

The abstract has been replaced to meet US requirements for form and content.

Entry is in order.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,
